

Endurance Director's report to the AGM 18/03/19

Vote of thanks to Ingy

Immediate focus – to continue the success of the Endurance event programme whilst making the provision of it transferable and sustainable and engaged more widely with the GAC endurance community and beyond.

Sub committee, expansion; race coordinator.

Volunteer portal, begun to coincide with the season start/FNB XC series:

No of events so far: 10 (FNBx4, 2xFC, CC XC, 10k, 10m, 5m)

No of volunteers: 85 (of which 8 are 'sub-committee' members/club staff disallowed the prize)

No of duties: 274 [inflated as some are easy to combine, deflated as the points awards are not completely granular, therefore 'about right']

Spread: 8pts – 2 people; 7 pts – 3 people; 6 pts – 3 people; 5 pts 7 people; 4 pts – 7 people; 3 pts -12 people; 2 pts – 18 people; 1pt 25 people. (sub-committee 1-14)

Competitor numbers – rising to steady 120 for stand alone events

NB only 4 non-sub-committee volunteers have undertaken race organisation thus far.
