

## *Entry Information*

Entry is on the day and costs **£5** for first event and **£3** for additional events for each fixture.

On 29<sup>th</sup> April, 27<sup>th</sup> May and 9<sup>th</sup> September, all U13 athletes will take part in the Quadrathlon event. The cost of each Quadrathlon is **£8** (athletes cannot partake in any other events which clash with the full duration of the Quadrathlon)

For the 2018 season, a **discount of £1 per meeting** will apply for all athletes who enter at least one **field event** in the meeting (this offer excludes Quadrathlon entries).

Hurdles – athletes planning to compete in hurdles events must advise Tom Druce of this by a minimum of 3 days before the event. This can be done in person, by email or via the athlete's coach.

100m – where there are two rounds, in terms of payment 100m will be considered one event. If there is both 100m & 200m, these will be considered separate events even where the 100m is non-scoring. Where there are two rounds of the event, athletes must declare to the registration desk whether they are doing one or two rounds. To be allowed to enter round 2, athletes must fulfil one of the following:

- They competed in round 1
- They have competed in another track event
- They have competed in a field event which directly clashed with round 1

Athletes **MUST register for their events at LEAST 60 minutes** before their event is due to start. There will be **no exceptions** to this. Athletes must also report to the start area for both track and field events 10 minutes before start time but may continue their warm up during this period

Field Fest – all of the above T&F Challenge rules apply for these Thursday evening meetings. All foundation training group athletes will be expected to choose at least one field event to compete in as minimal training will be set by the coaches on these evenings.
