

- On the day entry is **£5 for first event and £2 for additional events** for each fixture (where there are two 100m rounds, it will be considered one event. Where there is 100m & 200m these will be considered separate events even where the 100m doesn't count towards the T&F Challenge)
- Athletes **MUST register for their events at LEAST 60 minutes before** their event is due to start. There will be **no exceptions** to this. Athletes must also report to the start area for both track and field events 10 minutes before start time but may continue their warm up during this period (so long as the area is not being used for ongoing events)
  - You must compete in the appropriate clothing and wear an official number with the sponsor's logo.
  - All events will be run in accordance with UKA rules.
- Please also note: There are age-related event restrictions/recommendations which will be observed during the Intertrust Track & Field Challenge. These include but are not limited to:

- The Athletics Development Officer has the final say as regards any discretion to the above rules. It is unlikely that this will be utilised unless an athlete is on the Elite Athlete Performance Programme or has a valid developmental reason to compete in a non-standard event for their age group. Note that any non-standard events will not count towards the Intertrust T&F Challenge.

All other performances:	6 points

Prizes awarded to male and female winners in each age group: U13, U15, U17.

### **Combinations have to be either:**

- Four of the same event group (e.g. four throws);
- Or one of each event group – i.e. one sprint, one distance run, one jump and one throw.
