Monday 2nd April 2018 (Easter Monday) Grandes Rocques – Bridge (Northside)	10km: Start 9:30am

* Parking available at public car park by playground. Please do not park in the private Lucksall car park or on the road.

The revamped Easter Festival continues, with four different races on offer. Competitors may enter as many or as few of the races as they wish, however, an overall prize will be offered for those completing the 5k, cross country, and 10k. A team prize will be offered for teams of 4 (club, sport, business) whereby the top 3 athletes in each race score and the team must compete in the relay. Prizes will also be awarded per race, and team entries into the relay only are also welcome – the website will be updated with the full prize structure.

A parallel series of races for junior athletes make this a festival for all the family. A separate entry form is required for junior competitors, competitors and details are available on the website.

Information on travel and accommodation is available on www.visitguernsey.com

Entry is open to athletes of all standards and everyone is made welcome. The festival has a fine reputation for its quality and friendly competition from the front of the field throughout standards and ages. Enter online or complete and return the form overleaf.

You will receive confirmation of your entry and further details of the weekend, including the presentation, in due course. Numbers and commemorative clothing will be available for collection from registration points immediately prior to the event. Also, please note that commemorative clothing can only be guaranteed for entries received prior to the designated cut-off, after this it will be subject to availability.
