Congratulations on completing the race. Ours is a runbritain-licensed event and therefore your time is included in calculating your free runbritain handicap score. Almost 90,000 runners of all standards have now claimed their runbritain handicap score. As well as giving you a current score, between scratch and 36.0, your free personalised running biography page includes your current national ranking by age band and postcode, your position on the national ladder, your progress graph, your strongest distance, a head-to-head comparison with other runners and downloadable training schedules to improve your score next time you race. Your handicap score also updates automatically every time you complete a licensed event. To claim your score now, click on <http://www.runbritainrankings.com/user/claimhandicap.aspx>
